Money Back For High-Efficiency Washer & Dishwasher

2009 Iowa Application

Use Your 'Common' Cents Wisely

Purchase an ENERGY STAR® qualified clothes washer and /or an ENERGY STAR qualified dishwasher and receive a rebate from Black Hills Energy.

Improving life with energy

Full-sized ENERGY STAR qualified clothes washers save you time and money. Compared to traditional washers, ENERGY STAR washers use less water per load, and extract more water during the spin cycle meaning less drying time.

ENERGY STAR qualified dishwashers use at least 41 percent less energy than the federal minimum standard for energy consumption, and also use less water.
