Terms And Conditions

General Eligibility

This program offers financial incentives for the purchase of natural gas heating equipment and other listed energy-efficiency improvements. To qualify for rebates, an applicant must meet the following eligibility requirements:

- Applicant must be a current Iowa residential customer of Black Hills Energy.
- **Purchase and installations must be completed between Jan. 1, 2010 and Dec. 31, 2010. Applications for work done in 2010 must be received by Jan. 31, 2011.**
- Applications will be processed on a first-come, first-served basis. The program will end when the budget is depleted. Funds are limited.
- This program is subject to regulatory rules and orders, and Black Hills Energy reserves the right to change or to end any portion of this program without notice.
- To avoid delay, the dealer invoice returned with your rebate application must include manufacturer, model and serial number, efficiency rating and date of installation. Equipment cost, labor and tax must be itemized.
- Where applicable, energy-efficiency ratings must comply with those listed in the Gas Appliance Manufacturers Association (GAMA) directory.
- Checks will be made payable to customer shown on invoice.
- To qualify for the rebate, heating equipment must meet minimum efficiency requirements as listed in this application.
- Financing is offered in lieu of energy efficiency rebates. You have a choice of low-rate financing or a rebate, not both. For financing information please call 800-519-3571.
