

2011 Iowa Clothes Washer & Dishwasher Application

HOW TO GET LOWER ENERGY BILLS

Black Hills Energy wants to financially reward those who replace and install qualifying energy-efficiency equipment. Purchase an ENERGY STAR® or qualified clothes washer and/or dishwasher and receive a rebate from Black Hills Energy.

Rebate Checklist

Get your rebate check faster by checking off these easy steps before mailing your application form. Incomplete or inaccurate applications may be delayed.

- Application must be completely filled out**
- All receipts attached
- Reviewed Terms and Conditions and signed and dated application
- Made copies of all documents and application for your records
- Sent all documents to correct address listed on application

Full-sized ENERGY STAR or qualified clothes washers save you time and money. Compared to traditional washers, ENERGY STAR washers use less water per load, and extract more water during the spin cycle meaning less drying time.

ENERGY STAR or qualified dishwashers use 31 percent less energy and 33 percent less water than conventional machines while delivering superior cleaning performance.

Terms And Conditions

General Eligibility

- Applicant must be a current Iowa Black Hills Energy residential customer and have a natural gas water heater.
- **Purchase and installations must be completed between Jan.1, 2011 and Dec. 31, 2011. All applications and receipts or supporting documentation must be received by Jan. 31, 2012.**
- This program is subject to regulatory rules and orders, and Black Hills Energy reserves the right to change or to end any portion of this program without notice.
