COLORADO: COMMERCIAL NATURAL GAS CUSTOMERS

Rebate Checklist

Get your rebate check faster by checking off these easy steps before mailing your application form. Incomplete applications may be delayed.

- Completely fill out application (mandatory)**
- Attach all receipts (originals or copies)
- Attach manufacturer's specification sheets for cooking equipment (if applicable)
- Review Terms and Conditions; sign and date application
- Make and retain copies of all documents and application
- Dealer portion completely filled out (if applicable)
- Send all documents to correct address listed on application (sending application to billing address will delay your rebate)

Terms and Conditions

General Eligibility

1. Participant must be a current Black Hills Energy commercial or industrial natural gas customer located in Colorado.
2. **Projects must be completed between January 1, 2024 and December 31, 2024. Applications for work done in 2024 must be received by January 15, 2025.**
3. Where applicable, energy-efficiency ratings must comply with those listed in the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) directory found at www.ahridirectory.org
4. This program is subject to regulatory rules and orders, and Black Hills Energy reserves the right to change or to end any portion of this program without notice.
5. A final, itemized invoice for all materials and labor related to the installation must be attached to this rebate application. Labor charges for self-installed jobs are not eligible for rebates. All equipment must be new. No reconditioned or used equipment would qualify for a rebate.
6. Applications must be completed in full; incomplete or incorrect applications will delay processing and may be returned.
7. Funding for these rebates is limited. Applications will be processed on a first-come, first-served basis. Additional information or assistance in completing your rebate application can be obtained by calling **888-567-0799** or emailing bherebates@a-tec.com.
