Amended Advice Letter No. 817

Public Utilities Commission of the State of Colorado  
1560 Broadway  
Suite 250  
Denver, Colorado 80202

This amended advice letter is being submitted to correct a typographical error in the Company's initial filing. In the initial advice letter filing, the Company inadvertently referred to the change in the Energy Payment rate as a decrease, when the Energy Payment rate is in fact increasing. This amendment does not impact the calculation of the Energy Payment Rate or Tariff Sheet No. R36.

Black Hills has discussed this matter with Commission Staff and is submitting this amended advice letter.

Sincerely,

Black Hills Colorado Electric, LLC

/s/ Dan Ahrens
