

Prescriptive Program

South Dakota/Wyoming: Residential Customers

Rebate Checklist

Get your rebate faster by checking off these easy steps before mailing your application form. Complete and accurate application forms mean less delays in getting you your rebate check.

- Completely fill out application**
- Attach all receipts
- Review Terms and Conditions and sign and date application
- Make and retain copies of all documents and application
- Send all documents to correct address listed on application

Terms And Conditions

General Eligibility

1. Applicant must be a current electric residential customer of Black Hills Energy.
2. Applications will be processed on a first-come, first serve basis. The program will end when the budget is depleted. Funds are limited.
3. This program is subject to regulatory rules and orders, and Black Hills Energy reserves the right to change or to end any portion of this program without notice.
4. Black Hills Energy is not responsible if your contractor provides inaccurate information about the amount and/or conditions of the actual rebate or equipment eligibility.
5. To qualify for the rebate, equipment must meet minimum efficiency requirements as listed in this application.
6. New equipment must be installed on the premises and must not be purchased for resale.
7. A dated sales receipt/invoice **MUST** accompany the rebate application, include manufacturer, model and serial number, efficiency rating and date of installation. Equipment cost, labor and tax must be itemized.
8. The Air Conditioning Heating and Refrigeration Institute's (AHRI) Unitary Directory is used to identify product classification, determine efficiency ratings and confirm matched systems. Non-matched assemblies are not certified by the AHRI and are not eligible for rebate. The AHRI directory may be found at www.ahridirectory.org.
9. Checks will be made payable to customer shown on rebate form. Please allow 4-6 weeks after completed submission for rebate check. Rebate check minimum \$10 per application.
10. Black Hills Energy may randomly inspect installations to ensure measures are implemented properly.
11. Rebate applications must be submitted within 12 months from date of purchase.
12. \$2,000 per year maximum rebate for all measures combined.

Mail completed application and itemized invoices to:
