Terms and Conditions

General Eligibility

1. Participants must be a current Black Hills Energy commercial/industrial gas customer.
2. **Purchase and installation must be completed between January 1, 2017 and December 31, 2017. Project completion paperwork must be received by January 31, 2018.**
3. Where applicable, energy-efficiency ratings must comply with those listed in the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) directory found at www.ahridirectory.org.
4. This program is subject to regulatory rules and orders, and Black Hills Energy reserves the right to change or to end any portion of this program without notice. All equipment must be new. No reconditioned or used equipment would qualify for rebates.
5. A final, itemized invoice for all materials and labor related to the installation must be attached to this rebate application. Applications must be completed in full; incomplete or incorrect applications will delay processing and may be returned.
6. Funding for these rebates is limited. Applications will be processed on a first-come, first-served basis. Additional information or assistance in completing your rebate application can be obtained by calling **888-454-3312**.
