

Black Hills 2020 CSG RFP Program **Low Income Verification Form**

The purpose of this form is to verify the Black Hills Colorado Electric, LLC d/b/a Black Hills Energy customer stated below is an active participant in the representing organization (shown below). This form is required for acceptance of low income subscribers into Black Hills Energy’s Community Solar Garden Program. Low income CSG Subscribers must meet the requirements of Commission Rule 3652(o) and their qualifying low income status can be verified by one of the following representing organizations:

- Energy Outreach Colorado
- Colorado Energy Office
- Colorado LEAP Program
- GRID Alternatives Colorado

Low income organizations that provide temporary housing for low income individuals in the Black Hills Service territory, and whose facilities receive the associated usage bills from Black Hills Energy directly, can also provide written verification that those served by such a facility are low-income qualified. Additional organizations that can participate in the program and provide low income verification for CSG subscriptions will be addressed by the Company on a case by case basis.
