

Residential Rebate Program

January 1, 2021 - December 31, 2021

Iowa: Residential Customers

Rebate Checklist

Get your rebate check faster by checking off these easy steps before mailing your application form. Incomplete applications may be delayed.

- Completely fill out application (mandatory)**
- Attach all receipts (original or copies)
- Review Terms and Conditions and sign and date application
- Make and retain copies of all documents and applications
- Dealer portion completely filled out and signed (if applicable)
- Send all documents to correct address listed on application (sending application to the billing address will delay your rebate)

Important

A final itemized invoice for all materials, labor and taxes related to the Rebate Application must be attached. All equipment must be new. No reconditioned or used equipment qualifies for rebates.

Verification

The sales receipt indicating date of purchase, dealer/contractor name, manufacturer name and model number of equipment must accompany the rebate application. Incomplete applications will be delayed. Black Hills Energy reserves the right to verify sales receipts and installations. After approval, please allow four to six weeks for delivery of the rebate check.

Tax Information

Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. Black Hills Energy is not responsible for any tax consequences of the rebate program.

Disclaimer

Black Hills Energy does not guarantee that installation of equipment qualifying for rebates will result in reduced energy usage or demand, or in cost savings. The Customer will hold harmless Black Hills Energy and its officers, directors, shareholders, agents, employees, and representatives from all claims, liabilities, fines, interest, costs, expenses, and damages incurred by the Customer, for any damage, injury, death, loss or destruction of any kind to persons or property, to the extent the damage, injury, death, loss or destruction arises out of or is related to the conduct, negligence, willful misconduct, misrepresentation, breach of warranty or other breach of this rebate form on the part of Black Hills Energy.

Terms and Conditions

General Eligibility

1. Applicant must be a current Iowa residential natural gas customer of Black Hills Energy.
2. **Equipment purchase and installation must be completed between January 1, 2021 and Dec. 31, 2021. All applications for rebates must be received within 45 days of dealer invoice, or January 31, 2022, whichever comes first.**
3. Rebates are available for equipment installed in heated living spaces only. Equipment installed in garages or shops are not eligible for rebates.
4. **Applications will be processed on a first-come, first-served basis. The program will end when the budget is depleted. Funds are limited.**
5. **This program is subject to regulatory rules and orders, and Black Hills Energy reserves the right to change or to end any portion of this program without notice.**
6. To avoid delay, the dealer invoice returned with your rebate application must include manufacturer, model and serial number, efficiency rating and date of installation. Equipment cost, labor and tax must be itemized. Labor charges for self-installed jobs are not eligible for rebates.
7. Rebates may not exceed the cost paid by the customer.
8. Checks will be made payable to customer shown on invoice.
9. Where applicable, energy-efficiency ratings must comply with those listed in the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) directory found at www.ahridirectory.org
10. To qualify for the rebate, heating equipment must meet minimum efficiency requirements as listed in this application and Black Hills Energy must provide the main heat source fuel. Electric Heat is considered the main heat source regardless of settings so no heating measure, thermostat or insulation rebates are eligible when a home has electric heat.
11. If account holder is currently LIHEAP (Low Income Energy Assistance Program) qualified, please call 888-567-0799. Choose option 1 (Iowa) then option 1 to discuss rebates offered.
12. Equipment replaced under warranty is not eligible for rebates.

Qualifying Equipment for Rebates

NATURAL GAS WATER HEATING		
Equipment Type	Efficiency Requirement	Rebate Amount
Storage Water Heater	■ ≥ 0.64 UEF	\$125
Storage Water Heater	■ ≥ 0.80 UEF	\$300
Tankless Water Heater	■ ≥ 0.87 UEF	\$300

HIGH-EFFICIENCY NATURAL GAS FORCED AIR FURNACES*		
Equipment Type	Efficiency Requirement	Rebate Amount
Furnace	■ $\geq 94\%$ AFUE	\$150
Furnace	■ $\geq 96\%$ AFUE	\$200
