CAAC Rebate

Black Hills Energy is now offering up to a \$2000 rebate to Nebraska agricultural customers for the actual costs they incur to connect a new or converted irrigation engine or grain dryer to an existing or new meter on the Black Hills Energy's natural gas pipeline system in Nebraska. Below are several examples of equipment covered by the CAAC program. Similar equipment with comparable estimated usage also may be eligible for the rebate through the CAAC program.

Examples of equipment connected to existing meters	Rebate	Qty
50 HP engine for 600 hrs. (est. annual usage 3,000 therms or higher) and associated customer-owned service line	Up to \$2,000	
Continuous Flow Dryers (7.5 Mmbtu/hr. or higher) and associated customer-owned service line	Up to \$2,000	
Bin Dryers (est. annual usage of 3,000 therms or higher) and associated customer-owned service line	Up to \$2,000	

Examples of equipment connected to existing meters	Rebate	Qty
70 HP engine for 600 hrs. (est. annual usage 4,200 therms or higher) and associated customer-owned service line	Up to \$2,000	
50 HP engine for 600 hrs. (est. annual usage 3,000 therms or higher) and associated customer-owned service line	Up to \$2,000	
Continuous Flow Dryers (7.5 Mmbtu/hr. or higher) and associated customer-owned service line	Up to \$2,000	
Bin Dryers (est. annual usage of 4,200 therms or higher) and associated customer-owned service line	Up to \$2,000	

Rebate Amount: Customers who file a claim for a new load connected to the system are eligible for up to a \$2,000 bill credit once connection is verified.

Mail, fax or email this claim form and proof or receipts of expenses incurred to:

 Fax: 402-829-2465
 E-mail: Engine@blackhillscorp.com

Claims are on a first come basis. One rebate per new connected load. Cannot be combined with other rebates for the same connection. All new loads must be connected to Black Hills Energy's natural gas distribution system (formerly Source Gas Distribution, LLC) in Nebraska to be eligible for rebates. All connections are subject to verification by Black Hills Energy personnel. New equipment must be operational. Black Hills Energy is not responsible for lost, late, illegible, incomplete, damaged, misdirected or postage due requests/mail. Keep a copy for your files. All claims subject to audit. Offer subject to terms listed here. Rebate will be reflected on the customer's bill for natural gas service.
