Advice Letter No. 115

Public Utilities Commission of the State of Colorado  
1560 Broadway  
Suite 250  
Denver, Colorado 80202

The accompanying tariff sheets issued by Rocky Mountain Natural Gas LLC d/b/a Black Hills Energy (“RMNG” or the “Company”), are being filed in compliance with the requirements of the Public Utilities Law and the applicable rules of the Public Utilities Commission of the State of Colorado, including Rule 1210, 4 *Code of Colorado Regulations* 723-1. The following tariff sheets are attached:

**COLORADO P.U.C. NO. 4**

<b>Colorado P.U.C. Sheet Number</b>	<b>Title of Sheet</b>	<b>Cancels Colorado P.U.C. Sheet Number</b>
Twelfth Revised Sheet No. 9	Statement of Rates (Continued)	Eleventh Revised Sheet No. 9
Ninth Revised Sheet No. 10	Statement of Rates (Continued)	Eighth Revised Sheet No. 10

The principal purpose of this filing is to amend the Company’s Fuel, Lost and Unaccounted-For Gas (“FL&U”) Reimbursement Quantity percentage. Specifically, the Company is proposing to increase the FL&U Reimbursement Quantity percentage from 1.37% to 3.10%. The FL&U is reflected in the volume nominations by Shippers onto RMNG’s system; and therefore, the proposed tariff amendment will have no effect on the Company’s revenues.

The tariff amendments are pursuant to RMNG’s Tariff Sheet No. 145, Section 23.1, which states in full:

“At least once annually, Transporter shall compute a reimbursement percentage(s) for FL&U [(Fuel, Lost, and Unaccounted-For Gas)] to compensate Transporter for the FL&U experienced in its operations. Shipper shall be responsible for providing

FL&U Reimbursement at each Receipt Point on a pro rata basis based on the quantities received on any Day. Transporter shall apply the deduction for the applicable reimbursement percentage(s) to Receipt Point quantities and Transporter shall have full title to such Gas following such reimbursement.”

Attached hereto are Attachments A, B, C and D.

Attachment A provides the applicable proposed tariffs.

Attachment B provides a redlined version of the applicable tariffs.

Attachment C provides the calculation of the FL&U Reimbursement Quantity percentage.

Attachment D is the customer notice.

This filing will be noticed pursuant to the requirements of the Colorado Public Utilities Law. Attachment D will be mailed to all affected Shippers and posted on the Company’s website.

RMNG requests the tariff sheets accompanying this advice letter in Attachment A become effective on November 1, 2019.

Please send copies of all notices, pleadings, correspondence, and other documents regarding this filing to the undersigned.

Sincerely,

BLACK HILLS ENERGY

/s/ Eric J. Gillen
