

Small Business Direct Install Program 2018 Program Participation Form | Colorado and Wyoming

Property eligibility

Completing this form is the first step in determining whether or not your property will be eligible for the Black Hills Energy Small Business Direct Install (SBDI) Program. In order to be eligible for the program your business must have a qualifying account rate code and usage characteristics that align with the requirements of the SBDI program. If your business does not qualify for this program, there may be other program offerings from Black Hills Energy. Please submit the completed form via email to **BlackHillsSBDI@franklinenergy.com**.

Small Business Direct Install Program 2018 Program Participation Form | Colorado and Wyoming

Agreement

Property Owner agrees to participate in the Small Business Direct Install Program and agrees to the direct installation of light-emitting diode (LED) bulbs, high efficiency shower heads, high efficiency faucet aerators for kitchen and bathroom sinks, and other efficiency materials as applicable. Property owner agrees to provide personnel to escort the Franklin Energy technicians throughout the property and to provide access to all areas of the building facilities. I understand that Black Hills Energy (BHE) may inspect installed products upon request and I agree to permit access to a representative of BHE to verify the work performed. I authorize BHE to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator solely for the purpose of evaluating this program, estimating energy savings, and other quality assurance purposes. I acknowledge that BHE's energy efficiency rebate programs are tariffed services and are subject to change or termination without prior notice. In the event that a BHE Energy Advisor generates a rebated product referral on my behalf, I authorize having my contact information associated with my account released to a BHE-screened, independent Trade Ally contractor(s) for the purpose of performing services for the recommended products selected. BHE has made no implied or express warranties or representations with regard to these products or energy savings from their installation or with respect to any services provided by independent contractors.

Property owner also agrees that in consideration of its participation in the program and receipt of free products, BHE and Franklin Energy will not be responsible in contract, tort or otherwise for any losses or damages of any kind incurred, arising out, of or related to this program. Notwithstanding the foregoing, Franklin Energy will be responsible for direct costs of loss or damage incurred to the extent caused by the gross negligence or willful misconduct of Franklin Energy. No action may be commenced by property owner against Franklin Energy unless written notice has been given to Franklin Energy within ten (10) days after the occurrence giving rise to such cause of action. Property owner agrees that under no circumstances will BHE or Franklin Energy be responsible for any indirect, consequential, incidental, remote or speculative damages arising from the program. The undersigned has read and understands the above and has authority to sign this agreement as or on behalf of the property owner of the below identified property.
