## Terms and Conditions

### General Eligibility

1. Applicant must be a current electric residential customer of Black Hills Energy in South Dakota or Weston County, Wyoming.
2. Applications will be processed on a first-come, first-serve basis. The program will end when the budget is depleted. Funds are limited.
3. This program is subject to regulatory rules and orders, and Black Hills Energy reserves the right to change or end any portion of this program without notice.
4. Black Hills Energy is not responsible if your contractor provides inaccurate information about the amount and/or conditions of the actual rebate or equipment eligibility.
5. To qualify for the rebate, equipment must meet minimum efficiency requirements as listed in this application.
6. New equipment must be installed on the premises and must not be purchased for resale.
7. A dated sales receipt/invoice MUST accompany the rebate application, and include manufacturer, model and serial number, efficiency rating, and date of installation. Equipment cost, labor and tax must be itemized.
8. The Air Conditioning Heating and Refrigeration Institute's (AHRI) Unitary Directory is used to identify product classification, determine efficiency ratings and confirm matched systems. Non-matched assemblies are not certified by the AHRI and are not eligible for rebate. The AHRI directory may be found at [www.ahridirectory.org](http://www.ahridirectory.org).
9. Checks will be made payable to customer shown on rebate form. Please allow 4-6 weeks after completed submission for rebate check. Rebate check minimum \$10 per application.
10. Black Hills Energy may randomly inspect installations to ensure measures are implemented properly.
11. Rebate applications must be submitted within 12 months from date of purchase.
12. \$2,000 per year maximum rebate for all measures combined.
13. Equipment installations must be completed between September 1, 2019, and August 31, 2020. All applications for rebates must be received no later than August 1, 2020.

### Verification

The sales receipt indicating date of purchase, contractor name (if applicable), manufacturer brand and model number of equipment must accompany the rebate application. Incomplete applications will be delayed. Black Hills Energy reserves the right to verify sales receipts and installations and to conduct random inspections to verify installation of the equipment at the address indicated on rebate application. The customer agrees to provide reasonable access to the residence to inspect the HVAC system installed. Inspections may be performed after the rebate payment at the company's discretion up to one year after date of application. After approval, please allow four to six weeks for delivery of the rebate check.

### Selecting the Right HVAC Equipment

Customer must select a new system with an overall efficiency as shown in the table above. The system must be matched, which means the outdoor condenser unit and the indoor evaporator coil were designed by the manufacturer to work together to provide top performance and maximum efficiency. No commercial or mini-split (ductless) units allowed. Portable coolers or systems with vapor compression backup are not eligible, nor is used or reconditioned equipment. The rating must be found in the AHRI directory.

### Tax Information

Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. Black Hills Energy is not responsible for any tax consequences of the rebate program.

### Disclaimer

Black Hills Energy does not guarantee that installation of equipment qualifying for rebates will result in reduced energy usage or demand, or in cost savings. The Customer will hold harmless Black Hills Energy and its officers, directors, shareholders, agents, employees, and representatives from all claims, liabilities, fines, interest, costs, expenses, and damages incurred by the Customer, for any damage, injury, death, loss or destruction of any kind to persons or property, to the extent the damage, injury, death, loss or destruction arises out of or is related to the conduct, negligence, willful misconduct, misrepresentation, breach of warranty or other breach of this rebate form on the part of Black Hills Energy.
