# 2024 ELECTRIC PRESCRIPTIVE REBATE PROGRAM CHEYENNE: COMMERCIAL/INDUSTRIAL CUSTOMERS

Installing energy-efficient technology is a smart way for Commercial and Industrial customers to lower energy bills. Energy-efficient equipment installed in new construction, replacement, or retrofit projects is eligible for rebates. Prescriptive commercial/industrial rebates are available for lighting, lamp, variable frequency drive, motors and other electrical measures.

# **Rebate checklist**

Get your rebate faster by checking off these easy steps before mailing your application form. Complete and accurate application forms mean less delays in getting your rebate check.

## (Mandatory)

- □ Completely fill out application
- Attach supporting documentation (Manufacturer's equipment cut sheets indicating model, efficiency criteria)
- □ Attach itemized invoice(s) for equipment and labor
- Review Terms and Conditions and sign and date application
- $\hfill\square$  Make and retain copies of all documents and application
- Send dealer portion completely filled out and signed to correct address listed on application

## **Terms and conditions** General eligibility

- 1. Participants must be Black Hills Energy commercial/ industrial electric customers.
- 2. Purchase and installation must be completed between January 1, 2024 and December 31, 2024. Project completion paperwork must be received by January 31, 2025.
- This program is subject to regulatory rules and orders, and Black Hills Energy reserves the right to change or to end any portion of this program without notice. All equipment must be new. No reconditioned or used equipment would qualify for rebates.
- 4. A final, itemized invoice for all materials and labor related to the installation must be attached to this rebate application. Manufacturer's equipment cut sheets must be included. Applications must be completed in full: incomplete or incorrect applications will delay processing and may be returned. The rebate cannot exceed the amount paid for item(s).
- 5. Funding for these rebates is limited. Applications will be processed on a first-come, first served basis. Additional information or assistance in completing your rebate application can be obtained by calling **888-454-3312**.
- The Air Conditioning Heating and Refrigeration Institute's (AHRI) Unitary Directory is used to identify product classification, determine efficiency ratings and confirm matched systems. Non-matched assemblies are not certified by the AHRI and are not eligible for rebate. The AHRI directory may be found at <u>www.ahridirectory.org</u>.
- 7. Rebates will be capped at **\$20,000** per project per account number.

# Verification

A firm and final sales receipt indicating date of installation, dealer/ contractor name, equipment manufacturer name and model number must accompany the rebate application. Incomplete applications may be delayed. Black Hills Energy reserves the right to verify sales receipts, cancelled checks, and installations.

# **Dealer Verification**

(To be completed by dealer/contractor or Installer) We certify that the indicated equipment was installed per the Terms and Conditions of this program at the address shown. All Terms and Conditions of the program have been met. We certify that all equipment information provided in the application is correct. Black Hills Energy reserves the right to inspect and verify any equipment before or after issuing rebates.

# **Tax Information**

Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. Black Hills Energy is not responsible for any tax consequences of the rebate program.

# Disclaimer

Black Hills Energy does not guarantee that installation of equipment qualifying for rebates will result in reduced energy usage or demand, or in cost savings. The Customer will hold harmless Black Hills Energy and its officers, directors, shareholders, agents, employees, and representatives from all claims, liabilities, fines, interest, costs, expenses, and damages incurred by the Customer, for any damage, injury, death, loss or destruction of any kind to persons or property, to the extent the damage, injury, death, loss or destruction arises out of or is related to the conduct, negligence, willful misconduct, misrepresentation, breach of warranty or other breach of this rebate form on the part of Black Hills Energy.

# **Customer Agreement**

I certify that all equipment listed has been purchased and installed at the installation address indicated. I agree to the terms and conditions in this brochure. Black Hills Energy reserves the right to inspect installations before and/or after paying rebates. The rebate cannot exceed the amount paid for item(s).
